

WEATHER-RELATED CHANGES TO SUMMER PROGRAMS

July 21, 2022

Dear CSD Summer Enrichment Families:

Next week's weather forecast calls for extreme heat and, due to the construction taking place at Creslane Elementary, air conditioning is not available. Because of this, the classrooms reach very high temperatures when it is hot outside.

To protect the health and safety of our students and staff, we have made the difficult choice to modify our summer programming during the week of 7/25 – 7/28.

Extreme heat is in the forecast and we are taking extra precautions to protect the safety of our students and staff. These safety measures will modify our summer programming during the week of 7/25-7/28.

1 – 5 Summer Enrichment

- For 1st – 5th grade classes, the **FINAL** day of summer school will now be **Monday, July 25th**. There will be **NO CLASSES** for 1-5 students on Tuesday (7/26), Wednesday (7/27), or Thursday (7/28).

KITS (Incoming Kindergarteners)

- For KITS students, there will be **NO CLASSES** on Monday (7/25), Tuesday (7/26), Wednesday (7/27), or Thursday (7/28). Classes will resume on Monday, August 1st.

This decision was not made lightly, but the health and well-being of our students is our highest priority. We apologize for any inconvenience this may cause. Please stay cool and remember to hydrate during the upcoming heatwave!
