Dear CMS Parent/Guardian:
 We are half-way through the 2021-2022 school year, which means you will be receiving your student's 2nd quarter report card in the mail soon. We encourage you to have a conversation with your student about his/her grades and help your student make personal goals for the 3rd quarter. Students across our campus are finishing up their I-Ready benchmark tests this week, which means you will be receiving reports on their growth very soon in ELA and math. If you are concerned about your student's grades and/or scores, please reach out to your student's homeroom teacher . Together we can make a plan that supports your student's education.
 Thank you. -Mrs. Johansen, CMS Principal

Hogar de los Tigres

DESDE EL ESCRITORIO DE LA DIRECTORA

Estimado padre/tutor de CMS:

Estamos a la mitad del año escolar 2021-2022, lo que significa que pronto recibirá la boleta de calificaciones del segundo trimestre de su estudiante. Lo alentamos a tener una conversación con su estudiante sobre sus calificaciones y ayudar a su estudiante a establecer metas personales para el tercer trimestre.

Los estudiantes de nuestra escuela están terminando sus exámenes de referencia I-Ready esta semana, lo que significa que muy pronto recibirán informes sobre su progreso en ELA y matemáticas.

Si le preocupan las calificaciones y/o los puntajes de su estudiante, comuníquese con el maestro principal de su estudiante. Juntos podemos hacer un plan que apoye la educación de su estudiante.

Gracias. -Señora. Johansen, Director de CMS
