How to stay connected to Teachers and School

Attendance Matters!

ATTEND TODAY, ACHIEVE TOMORROW

© Rectangular Snip

Students who are chronically absent in preschool, kindergarten, and first grade are much less likely to read at grade level by third grade—which would make them

4 times

more likely to drop out of high school than proficient readers.

GOOD SCHOOL ATTENDANCE MEANS...

ELEMENTARY STUDENTS

read well by the end of third grade

MIDDLE SCHOOLERS

pass important courses

HIGH SCHOOLERS

stay on track for graduation

COLLEGE STUDENTS

earn their degrees

WORKERS

succeed in their jobs

Too many absences—excused or unexcused—can keep students from succeeding in school and in life. How many are too many? 10% of the school year—that's 18 missed days or 2 days a month—can knock students off track.

What do we do in
Kindergarten?

We
become
readers!

We become writers!

Read to your child! It makes a difference!

WHY READ 20 MINUTES AT HOME?

❖ Student A reads an average of 20 minutes per day.

❖ Student B reads an average of 5 minutes per day.

❖ Student C reads an average of 1 minute per day

❖ 3,600 minutes per school year.

❖ 900 minutes per school year.

❖ 180 minutes per school year

❖ 1,800,000 words per year.

❖ 282,000 words per year.

❖ 8,000 words per year.

❖ Scores in the 90th percentile on standardized tests.

❖ Scores in the 50th percentile on standardized tests.

❖ Scores in the 10th percentile on standardized tests.

If they start reading for 20 minutes per night in Kindergarten, by the end of 6th grade, Student A will have read for the equivalent of 60 school days, Student B will have read for 12 schooldays, and Student C will have read for 3.

WANT TO BE A BETTER READER? SIMPLY READ.

We become mathematicians!

We go to PE!

We go to music!

We go to the Library!

We Play Outside for Recess!

How to prepare for Kindergarten:

- ❑ Read to your child and sing nursery rhymes
- ❑ Encourage fine motor development with playdough play, coloring, cutting, etc
- ❑ No nap time in Kindergarten
- ❑ Practice following 2 step directions
(Ex. “Please go get your shoes and put them on.”)
- ❑ Allow them to dress in clothing that they are able to manipulate themselves (Ex. velcro versus tie shoes)

SCHOOL DISTRICT 40**

Kindergarten Early Admission Guidelines

Children who will be 5 years old on or before September 1 of the school year are eligible to enroll in kindergarten. If your child will turn 5 later in September and you believe he or she would qualify for and benefit from advanced grade placement, you may request early entry for your child.

- **Age requirement:** To be eligible to request early admission, your child must be 5 years old on or before September 30 of the upcoming school year. The Creswell School District will evaluate early admission requests only for those students whose birth dates are in September. No exceptions will be made for children born after September 30.
- **Residency requirement:** Families who wish to request early admission within the school district, or from another school district into Creswell, must first be approved for early admission before they may submit a transfer request.

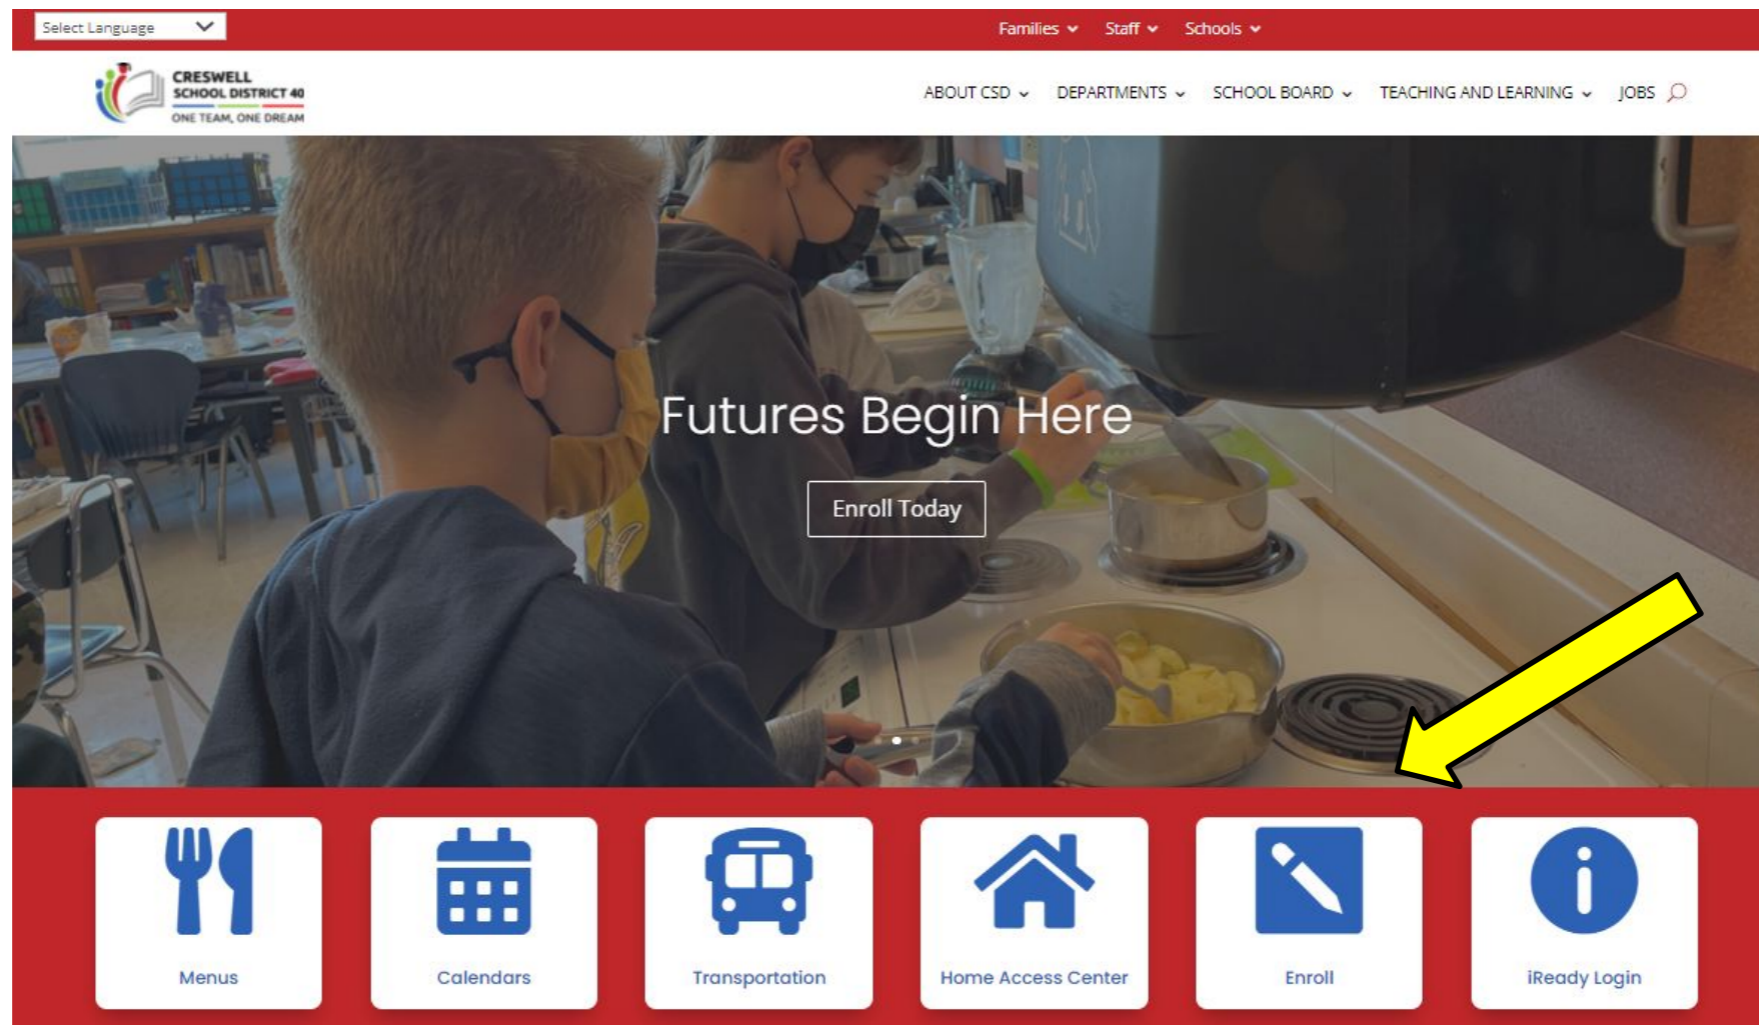

Process for early entry requests:

- **Application:** Complete and submit the early admission request form **between May 1 and August 1**. No applications will be accepted past the August 1st deadline.
- **Assessment:** Assessment takes place in **August**. **Students must achieve a score of 97%** or above for placement. An assessment will be scheduled with and completed by a private psychologist that the parent chooses or you may use a district selected School Psychologist for a fee of \$100. Should you choose to use the district's School Psychologist, you will be notified of the date and time for your child's assessment. Depending on when your application is submitted, assessments will be scheduled in May, June and August. Your child's assessment will take approximately 30–45 minutes and will cost \$100.
- **Review and recommendation:** The Early Entry Assessment Team and the Creslane school administrator will review the data, make a recommendation, and notify you of whether your child's request for early entry has been accepted or denied.
- **Cost:** The cost of the early entry assessment is only necessary when using district personnel. The cost is \$100. Payment may be submitted at the time of your child's assessment. Checks should be made payable to Creswell School District.
