

Creswell Middle School *FREE* Summer Learning & Enrichment Program

Creswell Middle School will be providing academic learning and enrichment activities this summer. The CMS summer program is a 4-week program that will run from Monday-Thursday, June 24-July 18, from 8:00-Noon at CMS (no session Thursday, July 4). All students will work on math, reading, and writing daily, and then choose their enrichment activities (see enrichment choices below). These programs will be provided free of charge by the school district. Breakfast and lunch will be provided. Students are encouraged to bring a water bottle and a nutritious snack. **Parents/guardians must register online by June 7, 2024 to request transportation.**

Please complete one form for each middle school student you wish to enroll (open to current Creswell 5th-8th grade students). Registration opens April 19 and closes May 3, 2024. There are a limited number of spots, so please return your form to the CMS office as soon as possible.

Student name: _____ **2023-2024 Grade level:** _____

Parent/Guardian name: _____ Contact #: _____

Parent/Guardian email: _____

My student has the following needs that the summer school staff should be aware of:
