SUPERINTENDENT'S BUDGET MESSAGE

2019-20 PROPOSED BUDGET

Our mission, *Preparing Students for Success*, guides staff's work and focuses students' learning in Creswell School District. I am pleased to present a budget for 2019-20 that supports our mission and continues our efforts to prepare all students for college, apprenticeship, or career.

In 2011, Creswell School District convened an *ad hoc* Finance Committee to address the challenges of an economic recession and underfunding for K-12 education – ultimately recommending more than \$1.0 million in reductions. The committee represented a cross-section of school staff and community members and proved invaluable in vetting suggestions and setting direction. Recommendations included reducing staffing and services, creating lower cost programs to support students, cutting supplies and materials, eliminating the secondary extracurricular and cocurricular programs, and cutting 8.4% of the staff contracts and 11 student contact days from the calendar. Over the past eight years, we have strategically worked to restore programs and services... and our work continues.

In 2016, over 250 Creswell community members (e.g., students, staff, parents, volunteers, friends) participated in a community engagement project to share their collective hopes for great schools in a great state. The project was called Oregon Rising, and Creswell's responses were part of nearly 11,000 Oregonians who spoke their minds – and hearts – about education. Despite the astonishing number of voices, Oregonians were in remarkable agreement. We want classes with fewer students, access to more programs, and additional instructional time.

In 2019, the Governor and Oregon State Legislature finally acknowledged our message that education is one solution to many challenges we face individually and collectively as a state. The proposed K-12 State School Fund (SSF) allocation of nearly \$9 billion, combined with High School Success Funds (i.e., Measure 98), maintains current service levels in Creswell. If funded, the Joint Committee on Student Success proposal will add nearly \$1 million to the district budget for 2020-21... and the conversations to achieve our dreams will be exciting.

Our *Proposed Budget* benefits from past decisions and continues to strategically support students. The proposal maintains existing programs and services, includes increases to support students and staff, and continues to address deferred curriculum, technology, and maintenance needs.

With a commitment to remaining resilient and planning for the future, we have set our ending fund balance to 8%. This move to increase our reserves will address possible negative fluctuations, year-to-year, with our projected ADMw calculations.

I am grateful that we are in a position to maintain service levels and make programming adjustments to better serve our students and staff. I am proud to have served as superintendent of Creswell School District for eight years. Finally, I want to thank the Budget Committee for your willingness to serve the District and the Creswell community. We look forward to your questions and guidance as we move toward approval and adoption of this budget for the 2019-20 school year.

Todd Hamilton, Superintendent

EXECUTIVE SUMMARY

BUDGET FORMAT AND PROCESS

This summary contains an overview of the budget with additional information and graphs to assist the reader. The budget is arranged with the General Fund, Special Revenue Funds (i.e., grants, facilities, nutrition services, vehicle replacement, and student related funds), and Debt Service.

Each year the School Board adopts a financial plan (budget) for the upcoming school year that guides staff in how funds are spent. District staff initially puts the plan together with input from staff and community members. Then, the citizen Budget Committee reviews the Proposed Budget and provides feedback. After a review and possible revisions, the Budget Committee approves the budget. The School Board then adopts the financial plan and it becomes the Adopted Budget for the coming school year.

This budget document is the primary vehicle used to present the financial plan and the results of operations of the district. The primary purpose of this document is to provide timely and useful information concerning the past, current, and projected financial status of the District in order to facilitate financial decisions that support educational goals of the District.

BUDGET OVERVIEW & HIGHLIGHTS

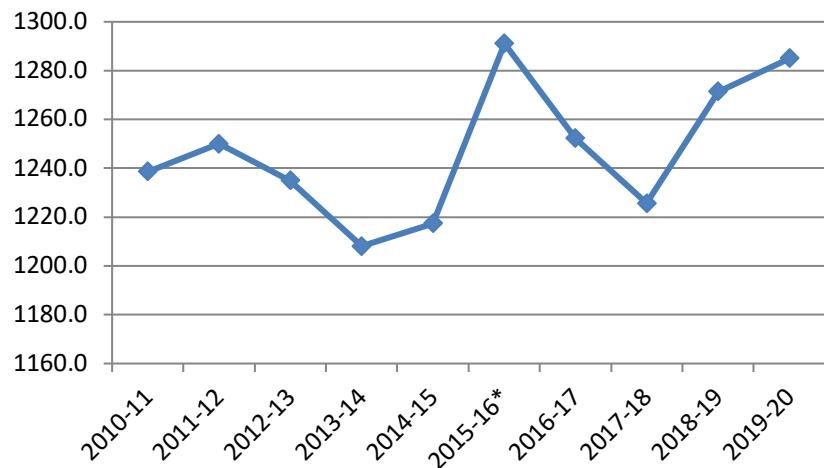

Federal, state, and local guidelines frame the budget development process. The annually adopted budget includes the General, Special Revenue, and Debt Service funds. Total expenditures for all funds are \$23,174,819.

ENROLLMENT PATTERN

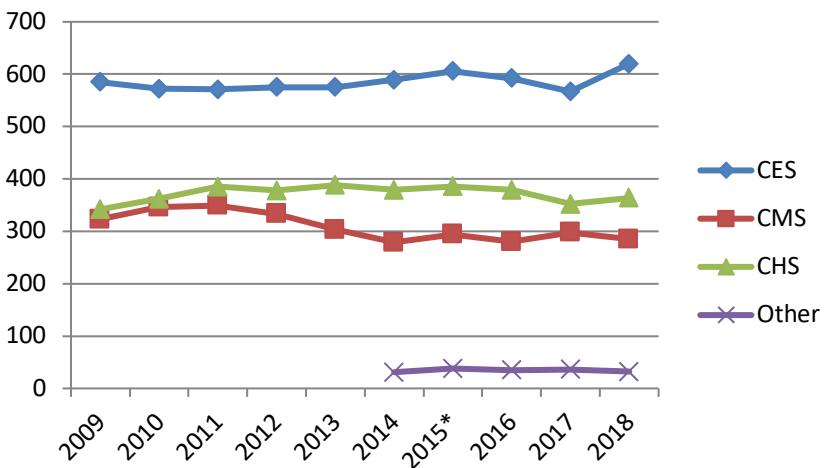

Creswell School District has experienced a general decrease and leveling of enrollment in recent years. With the 2015-16 school year, the District saw an increase in Average Daily Membership (regular), due to the expansion of kindergarten from half-day to full-day. In addition, more students enrolled during the school year than projected. The graphs below represent two different presentations of our enrollment data.

1. Average Daily Membership Regular – the regular membership number used by the State to develop State School Fund estimates. (Kindergarten students are counted as .5 FTE through 2014-15 and as 1.0 beginning in 2015-16.)
2. Enrollment – the number of students attending each school on October 1st of each year. Kindergarten students are counted as 1.0 FTE.

Average Daily Membership Regular (ADMr)

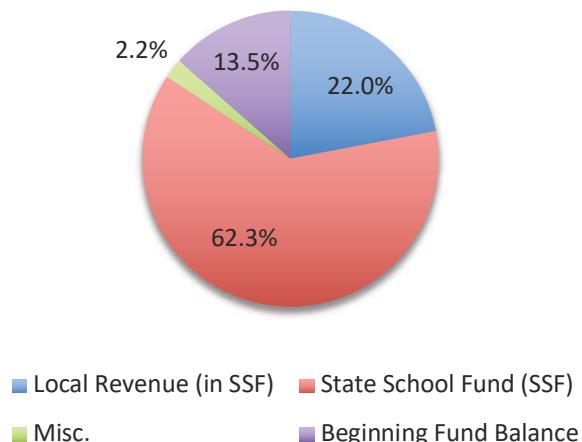

Enrollment by Building

GENERAL FUND

The General Fund is the largest of the district's funds and covers the operations of schools, including expenditures for salaries and benefits, supplies, textbooks, utilities, transportation of students, and other general expenditures.

General Fund Revenue

REVENUES

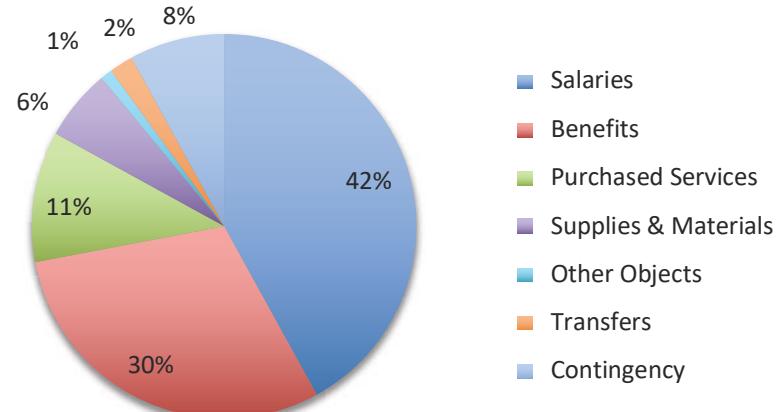

General Fund revenues are projected to increase to \$16,243,130 for the 2019-20 school year. This total is based on an analysis of our State School Fund (SSF) estimate for 2019-20 and other local revenue.

Property tax funds account for approximately 22% of the General Fund. The permanent property tax rate for the general fund is set at \$4.6426 per thousand plus the bond assessment that is estimated to be \$2.09 per thousand assessed value.

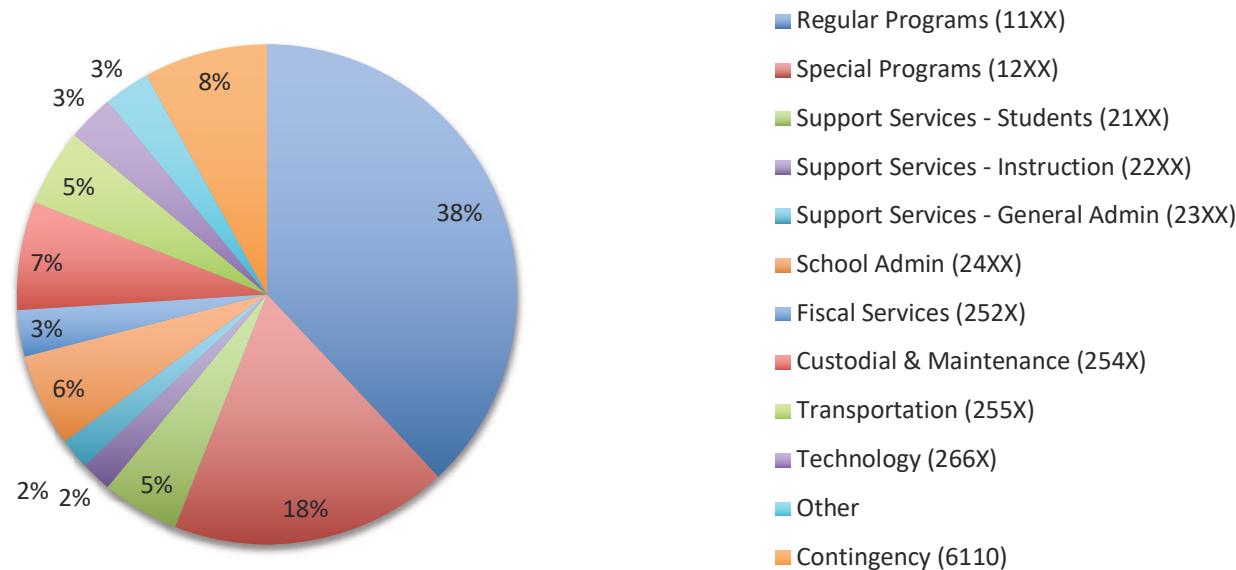

EXPENDITURES

Since the education of students is a service profession, payroll expenditures including benefits comprise approximately 76% of planned General Fund expenditures. Budgeted expenditures of salaries and benefits are determined in accordance with collective bargaining agreements. The graphs present our General Fund expenditures in two different formats – by Object and by Function.

SPECIAL REVENUES

Grants – The special revenue funds are comprised of grants that are budgeted as fund 200 for local budget law compliance. The history of individual grants is included in the budget detail section. Federal funds (e.g., Title IA, Title IIA, Title IV, and IDEA) in the form of entitlement grants are generally used to support licensed and classified staffing for special programs. Title IA typically includes additional support for homeless students, academic interventions, professional development, and parent involvement. Title IIA funds are used to increase the number of highly qualified teachers in the classroom, highly qualified administrators, and to elevate teacher and principal quality through recruitment, hiring and retention strategies. Federal funding for Title IA is projected to increase and Title IIA is projected to be level.

Individuals with Disabilities Act (IDEA) funding primarily supports educational assistants. Federal funding for IDEA is projected to be level.

Other grants include: HB 3499 ELL Support, High School Success (Measure 98), Oregon Community Foundation (e.g., Chintimini), Creswell Education Foundation, Family Resource Center, Preschool Promise, Youth Transition Program, Kids in Transition to School, and several small targeted grants.

Facilities – This fund holds the local building excise tax collections, SB 1149 Cool Schools, and Quality School Construction Bond monies.

Nutrition Service – This fund supports nutritious meals for students.

Vehicle Replacement – This fund is used for replacement of transportation vehicles.

Student Activity Fund – This fund is used to budget and monitor extra-curricular and co-curricular expenses and extra duty stipends.

Student Body – This fund is used to budget and monitor schools' student body funds – student money budgeted according to state law.

Scholarship – This fund holds various scholarship monies intended for students – awarded by high school staff and community members.

DEBT SERVICE FUND

The debt service fund rate for general obligation bonds is estimated to be \$2.09 per thousand with a repayment total of \$1,773,668. PERS debt service amounts to \$406,559 which is paid for by assessments on payroll.

Notes: Beginning July 1, 1997 property taxes were based on an assessed value. Assessed value is defined as the lower of maximum assessed value or real market value. For the 1997-1998 tax year, maximum assessed value was set at the 1995-1996 market value less 10 percent. Assessed value for later years is limited to 3 percent annual increases. The net levy is the actual imposed tax after adjustments and constitutional property tax limitations due to the passing of Measure 5 in 1990 and Measure 50 in 1997.
