## 2. Copies of the Healthy and Safe Schools Plan

Copies of the plan are available at each of the following locations:

- Creswell School District 40 – District Office 998 West A St, Creswell OR 97426
- <http://creswell.k12.or.us/departments/facilities/healthy-and-safe-schools-plan/>

## 3. Testing Certification

Creswell School District 40 certifies that it is in compliance to the best of abilities with all plan components, including any and all testing required by any part of the plan. Please note - testing for lead in water and radon testing will be conducted in the fall of 2022. Once completed test results will be posted

## 4. Testing Results

Creswell School District 40 is current with all required testing as of the date of this document. Test results can be found on the Creswell School District 40's website at <http://creswell.k12.or.us/departments/facilities/healthy-and-safe-schools-plan/> . Creswell School District 40 will also use current district email lists or communications programs to provide final test results to staff, students, parents of minor students, and other members of their community. This includes providing actual final test results or providing direct access to final test results through links in the communications. Please contact appropriate district personnel to be added to current district email lists and programs. Specific test results can be found as follows:

**5. Website Link Maintenance**

Joel Higdon certifies that all website links for plan information and test results are current and functional.

**6. Major Exposure Reduction Activities**

Creswell School District 40 has completed the following major activities, which resulted in reduced risk of exposure to hazardous materials:

Facility Name	Building Identification Number (BIN)	Activity resulting in reduced risk of exposure to hazardous materials	Type of hazard addressed	Date of activity	Estimated cost of remediation
N/A	N/A	N/A	N/A	N/A	N/A

I certify that the above information is true and accurate to the best of my knowledge.

<i>Joel Higdon</i>	Director of Technology Services, Transportation & Facilities	6/29/22
